

Adopt-a-Sailor Program

The Newport Harbor High School Girls Softball Team asks for your support by making a financial contribution in the form of a donation through our Adopt-a-Sailor program. Many people don't realize that high school sports programs are underfunded and in need of basic items such as uniforms, equipment, coaches, and tournament fees. In addition to the multiple fundraisers done throughout the year, a critical component to maintaining our program is the funding received through annual player participant donations. Our Adopt-a-Sailor Program offers the opportunity for generous individuals to make this donation in support of a player or players.

Yes, I'd like to Adopt-a-Sailor!

Please select donation level:

- 1 player (\$350)
- Other _____

Please provide the following information:

Player Name(s) _____

Your Name _____

Your Email _____
