

Corporate Sponsorship Program

The Newport Harbor High School Girls Softball Team asks for your support through advertising with us and/or making a financial contribution in the form of a donation. Your Community Support is critical in sustaining and developing our program. Many people don't realize that high school sports programs are underfunded and in need of basic items such as uniforms, equipment, coaches, and tournament fees. Every dollar is invested directly into our program and our student-athletes. We are grateful for your consideration, financial contribution, and for your support of the young women at Newport Harbor High School and the great game of softball.
